

CALIBRATION VERIFICATION CERTIFICATE - SENSORTECH PT100

Certificate ID: CAL-IND-88204
Instrument: SensorTech TempPro PT100 RTD Sensor (P010)
Supplier: InduSensors India Pvt Ltd, Bangalore, India
Calibration Standard: IEC 60751 Industrial Class A

- CALIBRATION DATA POINTS:
- Reference Temp: -50.00 C | Measured: -50.08 C | Status: PASS
 - Reference Temp: 0.00 C | Measured: 0.02 C | Status: PASS
 - Reference Temp: 100.00 C | Measured: 100.09 C | Status: PASS
 - Reference Temp: 400.00 C | Measured: 400.14 C | Status: PASS

OPERATING CONDITIONS:

Maximum Continuous Operating Temperature: 400°C
Minimum Operating Temperature: -50°C
Analog Output: 4-20mA loop powered
IP Ingress Protection: IP67 stainless steel 316L
Warranty Coverage: 3 years industrial replacement warranty
Certified By: Precision Metrology Center, Bangalore.
